

Child Library Card Application (Age 17 and under)

Dear Parent or Guardian:

The staff welcomes you and your child to the Tom Green County Library system! We hope to provide a world of reading enjoyment and boundless opportunity to explore and discover the world through the books, audios, and online resources your child can access with their library card.

Your Child must have a library card with him/her or have access to the parent's card in order to check out books. A child's library card may be used at the Stephens Central, West, and North Branch Libraries, as well as online for access to the library's online services. If your child's library card is lost, it will cost \$3.00 to replace it.

Data on card applications received and issued via mail may be subject to verification upon your and your child's first visit to the library. Please bring your identification and proof of address (if different from that on your identification.)
