

Tom Green County **Adult** Library Card Application

Dear Adult Patron:

Welcome to the Tom Green County Library! We hope you enjoy the books, audios, and DVDs available for checkout, as well as our multitude of online resources. Your library card will afford you checkout privileges at all three library branches—Stephens Central, West Branch, and North Branch. Please visit with any staff member about all the services you may receive with your card.

You must have a library card in order to check out books. If your library card is lost, it will cost \$3.00 to replace it.

If you would like to have a library card, and have never had one before, complete the form below.

I apply for the right to use the library and agree to comply with all its policies.
